

# What is the Role of a Special Educator?

## **Special Education Teachers at Chelsea Public School:**

- Support general educators to adapt curriculum materials and teaching techniques to meet the needs of students with disabilities.
- Coordinate the work of teachers, para-educators, and related personnel, such as therapists and social workers, to meet the individualized needs of the student within inclusive special education programs.
- Communicate and coordinate with others involved with the child's well-being, including parents, social workers, school counselors, support specialists, occupational and physical therapists, school administrators, and other teachers.
